### Varsity Home Volleyball Game Protocols

Dear PL volleyball families,

I am excited to have our volleyball teams back practicing and playing. I continue to advocate for fans to be allowed at our games and was outvoted last week on allowing a modified state tournament. I hope we can make the best of the situation and be as positive (also Covid-19 negative) as possible for our players.

\*As of 10/5/2020 we are not allowed to have spectators at home or away volleyball games.

#### Games

We will be playing a 14 game regular season. All regular season games will be vs SSC opponents. Region 2AA is planning for a full Section 2-4A tournament with games to be played at the high seed.

#### Roster

Home and away rosters will be limited to 20 athlete pods by level. Temporary movement of athletes between 9A and 9B or 10A and JV levels is prohibited. Moving athletes between levels risks exposing multiple pods and suspending multiple levels in response to a positive case.

#### Score table

We are limiting the score table to 1 scoreboard worker, 1 score book worker and 1 libero tracker.

#### Streaming

The stream team (up to 3 parent volunteers) will be positioned on the upper track at home games. Location for away games TBD. We will stream our Varsity games to [www.plhsactivities.org](http://www.plhsactivities.org) (find game by clicking on the green “in progress” icon in the scoreboard ribbon on the top of the page. Lower level games will likely be streamed to the ISD 719 district youtube page or to a facebook live page. We will get you stream links the day of the game via email.

### **Sidelines**

Sidelines will be limited to players, coaches, officials, line judges and 2 site admin. Everyone on the sideline must wear a mask at all times. If a player exits the game they will need to put a face covering prior to sitting down.

### **Visiting Teams**

Visiting teams will need to arrive ready to play. They will enter/exit PLHS through the Main entrance off the upper parking lot. Visiting teams will enter the gym through the upper gold gym doors and down the back stair well. Bathroom use will be allowed upon request. Bathrooms for visiting teams will be accessed through the back Girls locker room door. Full team locker room use is prohibited. Athletes are asked to wipe down their chairs prior to leaving the bench area.

### **Home Teams**

The Lakers can use the team room located just outside the gold gym. Player masks will need to be on during all team meetings. Players on distant learning or hybrid home learning should arrive to games ready to play. Players attending school may use the locker room on practice and game days. Athletes are asked to wipe down their chairs prior to leaving the bench area during games.

### **Transportation to away games**

We will provide limited transportation to away games. Players are allowed to drive themselves or ride with a family member to an away game. If athletes take the bus, they will need to wear a mask at all times.

### **Covid-19**

All athletes are required to conduct a self-health screening daily. If athletes experience symptoms related to Covid-19, please keep them home. Athletes with symptoms or who have been known to be exposed to someone who has tested positive for Covid-19 need to quarantine and get tested. Please report positive tests and/or exposures to your coach. (Contact information below) The PLHS athletic department along with district admin will use the MDH decision tree when responding to any positive tests or known exposures.
