First Day of Practice: TBD (March 19th)

First Varsity Match: April 16

First JV Match: April 10

Picture Day: April 8th

Registration Cost of Play & Fundraising

- <http://www.whsactivities.org/>, then click on the Registration tab.
- The cost to play is \$190, plus a team apparel fee
- Fundraising. Parent Volunteers to establish a Booster Club

Program Goals

- To provide student-athletes the opportunity to learn and grow in a competitive, supportive, and inclusive environment.
- Create opportunities for building self-esteem, personal growth and positive habits through golf
- Build a respected and competitive golf program through committed individuals coming together to form a team.

General Information

- The program is for grades 7-12. All players are allowed to try-out for JV or Varsity. If a 7th or 8th grader were to qualify for a Varsity spot there would be a discussion with the family to make sure it is an appropriate fit for the student-athlete socially, mentally and physically.

- Players who are new to golf and in middle school will be able to participate 2-3 days a week on either the JVB Team or the Futures team. Team assignments will be determined after the first 2 weeks of practice.
- Varsity and JV will practice 5 days a week. Indoor practices at Woodbury H.S. will start 15 minutes after the end of the in-person school day. Outdoor practice at Eagle Valley will start 30 minutes after the end of in-person school days unless given a tee time. Information pertaining to practice location and time will be updated on the website.
- On occasion we will also practice at The Royal Club in Lake Elmo.
- Players are responsible for getting themselves to and from practice. Practice will end between 5:00-5:45 depending on playing schedule. This year we will occasionally practice in waves (3:15-4:45 and 4:30-6:00) More info to follow
- All players must have clubs, balls, tees, etc. Golf shoes are encouraged but not required. If you need assistance with equipment please ask the coaches for guidance.

Woodbury Golf Attire

- We will determine practice attire rules during our first team meeting.
- All girls will wear a polo and shorts, skirt or pants at matches. There will be an option to order team apparel at the beginning of the season and or use apparel from last year
