

## 2022 Sponsorship Packages

Longwood Babe Ruth is a not-for-profit organization whose purpose is to provide a safe playing environment for our youth players ages 4 through 18 established in 1988.

Our league relies on registration dues, community sponsorships and fundraising to help cover the cost of uniforms, equipment, insurance, field rentals and field maintenance for multiple practice and game fields.

None of the volunteer coaches affiliated with the Longwood Babe Ruth program receive any form of compensation for their efforts. All money donated will be spent only on league operating expenses
