Varsity Overview

The 2006- 2007 Tiger Wrestling Team had a challenge given to them this season. The challenge – *Not to take a back seat to last year's squad and continue the tradition set forth by past Tiger squads.* This was not going to be an easy task, considering the loss of 14 seniors from last years team. Last seasons underclassmen made an oath that they were not going to take that back seat, and will continue the wrestling excellence. Many in the wrestling community felt Edwardsville was going to be rebuilding, but the wrestlers and the coaches knew we would just be *reloading*. This year's varsity squad worked harder in the off-season than any other team, and the results of this showed. This years team only had 8 returning letterman coming back and some of those were part time varsity guys. This years varsity members put in numerous spring and summer matches. Daryl Thomas had 86 matches, Ben Treat 79, Lance Fister 76, Greg Jackson 61, Ethan Knoebel 61, Matt Beasley 52, Bryan Thatch 52, Jared Sawyer 47, Quincy Jackstadt 38 – to name a few. They participated in a weight lifting program that went for *March to November*. There is no hidden secret to success. The fortunate thing for Edwardsville Wrestling is that *our wrestlers know this.*

So back to the challenge!! Did this year's team meet the challenge? *Yes they did*, and then some. We struggled through numerous injuries, throughout the season, but every time somebody new was there to pick up the win. As everybody knows, this team placed in the *top 8 of state out of 286 AA schools*. That is a great accomplishment. They won the *Southwest Conference* for the second year in a row, and did not allow Granite City to top them two more consecutive times. No treat was as big as the Sectional Final, where our Tigers fought through adversity and sent Granite home as 2nd. The Tigers were crowned Mascoutah Tournament Champions for a record 4th year in a row. We won a regional championship, and Sectional championship, along with sending 5 wrestlers to the Individual State Tournament. As I reflect back on the season I will always remember the ups and downs that many of our wrestlers had throughout the season, and how they fought adversity, but yet rose to the top. It was a total team effort. It was a definite *Tiger Style Campaign*.

This year's group of seniors was small, but important. Bryan Thatch and Matt Beasley took control of the team and had great seasons. Kyle Watson came back from an injury after Christmas and helped spark the upper weights. Ryan Reeves helped the squad early, before an unfortunate injury. The other seniors competed hard, and were a great help in the room. I am confident that wrestling will help these young men in their future endeavors. Although every season has ups and down, please use last year's theme in "Remembering the Journey." There has been so many special moments and friendships made, that should last a lifetime. It has been a great ride and you will all be missed greatly. Remember *once a Tiger Wrestler, always a Tiger Wrestler*.

Filling this year's group of seniors will be difficult, but unlike last year we have a large nucleus of returning letterman. We will be returning 4 state qualifiers from 2007, along with 2006 state qualifier Chad Lunn. This is a great nucleus of talent when you include the numerous sectional qualifiers returning. Let's understand that this does not mean instant success and *we must not rest on our laurels*. We need to continue to do what got us to where we are today, the *off-season* starts soon. Weight lifting and spring/summer wrestling will be available to all. If you are playing another sport, we support that and good luck. If you are not, be ready and committed. Underclassmen – meet the new challenge of surpassing this years accomplishments. As the seniors and coaches know, *the sky could be the limit next year*.

Seniors – congratulations on a great career. Coaches, thanks for being the best staff around. Middle school coaches, and EWC coaches, thanks for providing me with the wealth of talent that you do each year. This is not a Coach Wagner thing; this is *EDWARDSVILLE WRESTLING*, the culmination of many working toward one goal –success and fun. I hope through wrestling we have developed young boys to be great men, ready to take a different challenge of life's responsibilities and hardships. Always remember that goals are met through hard work. Thanks parents and boosters for being the best support staff that any one program could ever have, and making my job that much easier. Lastly, thanks goes to the wrestlers for giving me your hard work ethic, and a ton of memories.

Junior Varsity Overview

The Junior Varsity team had a fantastic 2006-2007 campaign. This year's team consisted of seven sophomores and eleven juniors. Of those eighteen wrestlers only seven saw significant time on the mat at the junior varsity level last season. So not only were we reloading on the varsity level but junior varsity level as well. This made for a challenge that our wrestlers took head on beginning in early March of last year. That's right, four weeks off and back to "**Training Like Champions**". It started with weights three days a week and spring wrestling. This group of young men outworked any class before them in pursuit to show the wrestling community that **Edwardsville Wrestling** was not satisfied with past achievements. As their junior varsity coach I am proud to say this group of young men took no short cuts in preparing themselves to be varsity wrestlers this season. Tonight we applaud them for their hard work, and dedication to better themselves and the program. Many of these young men would be starters, even team captains for many other programs in the area. For us they are like many other wrestlers that came before them in our program. Hungry and eager to run onto the mats to the sounds of **Guns Ands Roses "Welcome to the Jungle"**, this is what makes **TIGER WRESTLING** so special to guys like Jay Long, Josh Sherman, Jake Svoboda and Mike Wallace who have been part of the program for awhile. I expect them and many others to begin their vision quests soon to make their tracks in **TIGER WRESTLING** history.

The dual meet season started off with a bang defeating our first ten opponents. Two duals that stood out were the 44-33 win over Missouri power Fort Zumwalt West and the 48-19 win over conference rival Granite City. After a tough loss to a very good Northwest, MO. team 48-36 the team finished strong with ten straight wins bringing our season dual meet record to 20-1. As the bad weather came our varsity team was forced to pick up another tournament so we had the junior varsity team fill in for them in a scheduled quad meet up north. Although we lost each of the three meets our team competed very hard and gained very valuable experience for the future of our program.

The junior varsity team competed in four tournaments taking third place in the Lafayette Tournament and first place in the Southwest Conference Tournament (pool A). The Collinsville Tournament and our J.V. Tournament did not keep team points. A number of our wrestlers placed high in each of the four tournaments.

Coaches, I would like to thank you all (high school, middle school, EWC) for everything you do that makes Edwardsville Wrestling the best program around. Thanks EWC Boosters and parents for your support in the program and your sons. Wrestlers thanks for all the hard work, dedication and great memories. I wish you all the best senior class of 2007.

Coach Matarelli

2006-2007 Freshman Wrestling Season Overview

This year's freshmen wrestling team had an outstanding year for our program. They should be proud of what they accomplished no matter what their individual record was, and as a team they really blossomed throughout the entire season. This is an exciting time to be a tiger wrestler, and these young men are primed to carry on the winning traditions here.

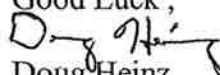

This year's freshman team's dual record was 7-3. The team went undefeated in Southwestern Conference matches, winning each match handily. Our final three matches were losses at the Fort Zumwalt South Freshman Dual Team Tournament where we wrestled each match giving up 5 forfeits. This was due to a few injuries, and several of our freshmen wrestling in the SWC JV Tournament where they helped bring home the Conference championship. This was truly a great year for our freshmen wrestling team.

Our season highlight would have to be winning our dual meets in impressive fashion, despite having four freshmen wrestling at the varsity level. Our group did a great job helping to complete the sweep at our Granite City dual where all three levels were victorious. We also did great at a couple of Fresh/Soph tournaments this year. We took 3rd at Lafayette, losing only to Northwestern in an extremely tight match. Also, we had another strong showing at O'Fallon, where we ended up taking 3rd while only competing in 9 of the 14 weight classes. We had a great season and we are very excited for the years to come. We are looking forward to these young men to carry on the winning ways of the tiger wrestling tradition.

I would like to thank the parents for getting the guys to meets and practices, and helping the program with various other activities. You were a great help this year and we appreciate all you have done for your kids and the wrestling program. If it was not for you than we could not have as much fun as we did this year. It takes very dedicated parents for wrestlers to excel, and all the accomplishments on the mat can also be attributed to you.

I would also like to thank Coach Wagner and Coach Matarelli for making my fourth year an easy and enjoyable one. They really helped me out and made it a lot of fun again this year. They are great coaches and great friends, and I can't wait to get back to work with them next season. I am constantly learning when I am around them, and I am very fortunate to have two great mentors.

Again, it was a great season and I hope everyone feels the same. This is a tough sport and many people are afraid to even try it. We really have to give these kids a lot of respect for the way they competed this year, and get them ready for an exciting year next year. Keep after your boys, and get ready for the next few years. Those years promise to be exciting ones.

Good Luck,

Doug Heinz
