*June, July, and August orders are placed the first Monday of the month, unless otherwise noted.

Ordering Process:

- Email orders to jagbackers@gmail.com at any time
- State name and total amount along with the denomination. They do not all have to be the same denomination, you can order any combination.

An email will follow on the Monday the order is placed with the day, date, time and place of pickup, along with an option to arrange alternate pickup.

Payment is taken at the time the cards are picked up.

Cash or Check made out to AHS are acceptable forms of payment.

Upon pickup, a form will be signed with the student's name, amount, group and signature.

The money is then brought to the office, along with forms where the information is collected and organized via spreadsheet to keep track of each individual's amounts.

Coaches, teachers, and/or club leaders should have access to amount totals upon request.
