

## Student-Athlete Registration

Miramonte has adopted a new system for collecting athletic clearances in 2018-19. SportsNet Inc. provides secure online registration services for high school athletic programs. Below are instructions for creating a parent/guardian user account and registering one or more athletes at Miramonte High School. Go Mats!

### Creating an Account

1. Go to <https://sportsnethost.com/auhsd-miramonte-parent>
2. Click the **Create an Account** link near the bottom of the screen
3. Enter the required information and submit the form
4. Log in to the system with your email address and password
5. Follow the instructions inside the system

### Before You Begin

Make sure you have the following prior to attempting to register your child:

- Your child's student identification number
  - o Returning Students: Same identification number as in the past
  - o New Students: You can find your identification number inside the Miramonte registration information.
- The exact spelling of your child's first and last name as it appears in official school records
- A scanned copy of your child's completed [Pre-Participation Physical Exam](#) on your computer (to be uploaded during registration)
  - o **Please note that physical forms must be dated and stamped on or after July 1, 2018.**
- Your child's active health insurance coverage information, including the name of the provider and the policy ID

### Registration Process

Be sure to carefully read the instructions on each screen and provide all required information. If you are unable to finish in a single session, the information you have already submitted will be saved and you can log back in at a later time to finish.

**Important:** The school will not receive your submission until you complete the entire process, ending with your final electronic signature on the last available screen. Be sure to **check your email for a confirmation message** after you have finished.
