## COACHING GUIDELINES

### What a Coach Needs to Coach a Team

All COACHES must register with USA HOCKEY as a coach.  
See more information and instructions for completing coaching certification at:

<https://www.usahockey.com/coachingcertification>

The DEADLINE to comply with the Coaching Education Program (CEP) Guidelines is **DECEMBER 31 of each year**. (Split season is October 31).

Coaches can only take ONE clinic in a given year. If a coach has an expired certification they do not have to start from the beginning. They can attend the next LEVEL (e.g. A coach has an expired LEVEL 1 certification. They can take a LEVEL 2 clinic.)

New Coaches to the Coaching Education Program (CEP) must attend and complete a LEVEL 1 clinic. This LEVEL 1 certification will expire on December 31<sup>st</sup> of the following year.

All coaches must complete an AGE-SPECIFIC MODULE for each team they are coaching. There is also a GENDER APPROPRIATE module to be reviewed.

**EXEMPTION:** For 8U Mite coaches, they may remain at Level 1 until they move up to an older team. A similar coach can remain at their current level of certification (Level 2 or Level 3) even if it has expired.

There is no cost for the **background check**.
