It taught me to always have my family and friends back and it helped me become a better person overall.

### WYATT OSTERBAUER 2

HEIGHT: 6'4"

WEIGHT: 225

POSITION: LB

#### What is your favorite football memory?

My first strip sack on varsity sophomore year.

#### What has Buffalo Football taught you?

Football has taught me that life won't always go your way so you have to keep a positive mindset.

### KY KELVIE 4

HEIGHT: 5'8"

WEIGHT: 155

POSITION: QB

#### What is your favorite football memory?

In 8th grade when I got to come back from a broken collarbone and being able to help my team again after watching the first few games on the sidelines.

#### What has Buffalo Football taught you?

I have become tremendously better at my leading skills.

### ELIJAH ZUMBUSCH 6

HEIGHT: 6'2"

WEIGHT: 170

POSITION: WR/DB

#### What is your favorite football memory?

I tried really hard to think of one specific memory and I can't. I have so many memories with so many different teammates. I will leave BHS with hundreds of football memories I will keep close to my heart forever. For me, it's been all about the relationships and connections I've made.

#### What has Buffalo Football taught you?

Football has taught me what it means to really be a part of a team. It has shaped who I've become as a person. It has taught me that a good team can lift and elevate you as an individual in the game, as well as in life. It has taught me that communication, encouragement and hard work can go a long way. I have learned that while playing on a team it is important to put all our differences aside and work towards our common goal. My teammates have become some of my best friends and I hope they continue to be in my life forever.

All the early morning lifts grinding it out in the weight room with Coach Holland and the morning crew. Those guys are my brothers for life and some of my best friends. I'd give anything for all of those guys, and I loved every second I had them as teammates. That's where the work was put in, and I'm so thankful to have worked with a group of real ones.

**What has Buffalo Football taught you?**

Like coach Lit says, we GET to play football. We don't HAVE to play football. It's a privilege. As I learned with my injury last season, it can be taken from you at any moment.
