

Minnetonka High School Volleyball Booster Club 2025 -Sponsorship

Mission: The Minnetonka Volleyball Booster Club (MVBC) was formed in 2010 exclusively to support the MHS volleyball program, its student/athletes, and coaching staff. The Minnetonka Volleyball program does this by creating an environment that supports a healthy team culture through our coaches, players, and our community.

The program accomplishes this by:

- Recognizing individual and team strengths while supporting the approach of *fail forward and grow* in a highly competitive environment.
- By working at developing players not only athletically, but as young adults in our community.
- Creating a sisterhood of players that will support each other on and off the court.
- Fostering communication between our teams, players, and our community of families and fans.
- Involving families to assist in building the spirit of community and a positive culture for our program

Relationship to Minnetonka Skipper Booster Club: The Skipper Booster Club supports all co-curricular activities at MHS, whereas the Minnetonka Volleyball Booster Club focuses solely on the MHS Girls Volleyball program, its athletes and coaches. Therefore, **any money donated to the Minnetonka Volleyball Booster Club directly supports the MHS Girls Volleyball program.**

Funding for the Minnetonka Volleyball Booster Club will primarily come from the Volleyball Booster Club donations (see below) as well as from program fundraisers. **To fully support our program, our goal is to raise in excess of \$12,000 annually,** which is substantially funded by booster contributions. Pursuing our mission involves providing volunteers and additional finances to enhance the program. Related expenses include costs for assistant coaches, equipment/facility needs, the game program, all the special recognition nights, banquet subsidies, and other special volleyball awards & activities.

Please support the Minnetonka MHS Volleyball Booster Club, and let's work together to make a difference in the [MINNETONKA GIRLS HIGH SCHOOL VOLLEYBALL](#) program! Thank you!
