

## 10.12.25- 10.12.25 Update

Good evening NHA Families-

We are officially in the full swing of hockey season - we hope everyone had a great weekend!

Skating Clinics kicked off today - reminder that these are not optional, these are to be treated the same as a practice!

If you were not able to pick up your fundraising items at the Parent Meetings, please reach out to [fundraising@northfieldhockey.net](mailto:fundraising@northfieldhockey.net) to arrange time to grab those!

Raffle ticket sales should be underway - reminder they are due back to the arena drop box by October 29th!

Team Calendars are getting updated with games, please make sure that you are following your team (if applicable at this time).

Have a great week,

NHA
