c. All Stars

- All-Star – Brad Hoffman from CAHA asked if we could handout the trophies one per team, per game at the state tournament for the we honor the game award. We need to go back and alert coaches that at the end of each game that gets the trophy or for more fun can we have the coach from the opposing team decide who to give it to. Someone asked if we should ask the coaches should decide what to do. This is for Palmetto and

National teams. Aiko votes the opposing teams coach should award trophy. We can go bat to coaches to and ask them before we decide. Barbara asked Kirby to clarify the question. Kirby explained and then said he thinks it would be more fun for the opposing coaches to choose who gets the trophy. Kirby will push it in an email asking coaches so that we can make a decision before next meeting.

- Jeanette – ordering of awards, metals and banners by February 1. She also asked if what we did last year was good to do again. Barbara agreed. Are we going to do the Miss and a Mr. award this year or can we do that without a gender. Kirby will add to the Allstar ballets. Mr. or Miss is what we should have this year Jeanette told Kirby. Same thing for Coaches this year. If they had suspensions for too many penalties. Kirby asked if we had a suspension on 18u team. Jeanette thinks we had less penalties this year.
