**Retreat Line (U9 and U11 only)-** The Retreat Line in U9 and U11 Indoor Soccer will be the nearest Defensive Zone Line. If a member of the opposing team comes inside the Retreat Line before the ball has left the goal area and interferes with play, the Referee will stop play and the restart will be retaken. When the ball has left the Goal Area, play will resume as normal and the opposing team can move inside the Retreat Line. Players can play the ball long if they wish in U9 and U11.

## General Rules of the Game Cont.

Three-line Violation...

A three-line violation occurs when the ball is played by a player in his own defensive zone and the ball completely crosses all three lines in the air without touching another player, the referee, the field of play, the touch walls or goal wall in the defensive zone from which it was played.

No Offense...

When a team has 2 fewer players eligible to be on the field than the opposing team, any player on that team may propel the ball over three lines without being in violation of this rule.

Infringements and Sanctions...

For a three-line violation, the referee awards a free kick to the opposing team to be taken from the restart mark at the center of the violating team's defensive line.

Free Kicks (all free kicks are **DIRECT**)...

For all free kicks, the ball must be stationary when the kick is taken and the kicker must not touch the ball again until it has touched another player.

The kicker has 5 seconds to put the ball into play, and the referee indicates visually and verbally the 5 second count.

Time Restrictions on Restarts...

On any start or restart, the team entitled to the kick has five(5) seconds to play the ball. In the event of taking more than five(5) seconds, the kicker is penalized by a 2-minute technical offence penalty for delaying the restart. **However, in U11 the offending team will not play short a player, just the offending player will be removed from the field.**
