Sliding Into Summer Chaska Classic Tournament 2024

Chaska Youth Softball Association (CYSA), a 501(c)(3) non-profit, is thrilled to bring a softball tournament back to Chaska. This will be our 2nd year hosting our own tournament!

We will be hosting an 8U Tournament June 1st, 2024 and June 2nd, 2024 at Chaska Community Park. This tournament will be open to 16 teams within the state of Minnesota and parts of Eastern Wisconsin. The tournament will have a 5 game guarantee (weather permitting) and include a berth to a National Tournament.

There will be approximately 175-190 players along with coaches, families and fans. We anticipate this to be a huge family friendly event.

We have a sponsorship package available and would love your support!
