

2020 PACER FOOTBALL UPDATE – 8/20/20

Pacer Football F.A.M.I.L.Y.,

While we still live in a world of constant change, we are getting closer to the start of our fall football season. We plan on starting on Monday, September 7th and playing as many games this fall as we can.

Check out our [2020 Pacer Football Calendar \(Updated\)](#)

If you're new or haven't done so before, please join our team communication page on [Remind](#). It's also an app you can put on your phone if you

text @pacerfb to the number 81010

Please encourage your sons to keep an eye on their email and our Google Classroom page. I've invited all of our incoming freshmen and other new players via email this morning. In fact, they should turn on notifications on our Google Classroom page so that when I post announcements, they'll know ASAP.

Finally, if you want us to play football this fall like I do, please take care of yourselves and the health of your family. Follow the governor's mandate and wear a mask. Stay physically distanced as much as possible. Wash your hands with soap and water often and do so for at least 20 seconds each time. If you feel sick, stay home. Get plenty of sleep and stay well-hydrated. The better you take care of yourselves and those around you, the better chance we have of being able to play football so PLEASE TAKE IT SERIOUSLY!

Looking forward to getting this season started! Please contact me with any questions via email or text/call (262-939-0044).
