All girls registering will be placed on a Libertyville team. For girls 5<sup>th</sup> grade and up, there will be a skill evaluation or tryout on March 10 to determine team selection. To provide the most opportunity for player development and player safety, teams are balanced based on the skills exhibited at evaluations.

LGSA is a partner with House Leagues from Lake Zurich, Mundelein and Vernon Hills. Based on registration our final schedule may include games with teams in neighboring communities.

The Libertyville Girls Softball Association (LGSA) was established in 1985 to provide a top quality softball program for the girls of Libertyville Township. Through participation in the LGSA program, players learn responsibility, hard work, teamwork, and how those things add up to group success. LGSA players also build self-esteem and the confidence to take on difficult challenges later in life. LGSA offers a fun, safe and educational environment for girls in Pre-K through post High School.
