LETTER FROM THE PRESIDENT

Welcome to Benilde-St. Margaret's (BSM), home of the Red Knights! We are looking forward to another great season of BSM Boys' Hockey and are grateful for your support.

BSM Boys' Hockey has a long tradition of excellence, complete with numerous conference titles and multiple state championship trophies. Some of these players have even gone on to compete successfully in junior, collegiate, and professional hockey leagues.

From its humble beginnings on an outdoor flooded rink in 1958, BSM Boys' Hockey has grown into one of the premier hockey programs in the metro.

Here at BSM, we believe that athletic and co-curricular activities are an integral part of a holistic education. The BSM Boys' Hockey program provides students with the opportunity to seek success through hard work, resilience, and collaboration. Students develop leadership skills and have the opportunity to build friendships within the structure of a supportive team.

At BSM, each student is known and nurtured as a unique individual. Students experience a rigorous academic program, have access to a rich variety of athletics and co-curricular opportunities, and are accompanied on their individual faith journey in a Catholic environment. Altogether, BSM students receive the holistic education necessary to be prepared for college and all that lies beyond.

BSM is proud of its hockey program and all of our outstanding student-athletes. With more than 93% of students participating in at least one co-curricular program, our students are involved and engaged in building up our dynamic community. Thank you for your support and being part of the BSM community.

Enjoy the 2023-2024 BSM Boys' Hockey season, and go Red Knights!

Danielle Hermann
President

RED KNIGHT BOYS' HOCKEY

The Benilde High School Hockey Program was born in 1958 when all practice and play remained outdoors. The Red Knights were initially coached by Gene Sack and played in the Catholic Central Lakes Conference where they won four league titles and made four trips to the Catholic State Tournament.

In 1977, the program won its first and only conference title in the Don Bosco Conference, when they advanced to the Region V Semifinals under the old one-class tournament format.

In 1990, current Head Coach, Ken Pauly, joined the team and led the Red Knights to win the first conference title in the Missota conference. Under Pauly's leadership, the team saw great success which moved BSM into the upper echelon of the Minnesota High School Hockey Elite Programs.

In 1999, BSM won its first Class A State Championship.

1999

In 1974, Benilde High School and St. Margaret's Academy merged and the program became BSM Hockey. The program then switched to the Don Bosco Conference as a unified institution.

In 1985, BSM joined the Missota Conference, playing teams such as Burnsville, Lakeville, Prior Lake, Northfield, and Holy Angels.

In 1998, once again, the program switched to a new conference: the Metro Alliance. The team found major success there with six league titles in seven seasons.

HISTORY TIMELINE

With yet another conference change, the boys headed to the Northern Suburban Conference and collected seven straight conference titles.

After a 3-year break from the team, Head Coach Ken Pauly returned to the program. The team won the Section 6AA title and went on to place 3rd in the state tournament overall.

In 2014, BSM joined the Metro West Conference and remains in this conference today.

In 2019, the team had a 20-win season, finishing with a Top-10 ranking. Since then, the Red Knights have finished at the top of its conference and 2nd in Section 6AA.

In 2001, BSM won its second Class A State Championship.

BSM made the jump to Minnesota's Largest School Division, and the team kicked off the season with a big win over the Edina Hornets in their very first Class AA game.

In 2012, BSM climbed High School Hockey's highest mountain by winning the Class AA State Championship. The Minneapolis Star Tribune called it one of the "most sentimental runs ever," as the team battled through a life-changing injury to one of its players, Jack Jablonski.

In 2018, BSM secured its third Metro West Title, and the school's overall 21st Conference Championship. This season was a major comeback for the team after graduating most of their team the prior year.

BEHIND THE SCENES

Mike Jeremiah

The spiritual leader of the Red Knights and the Benilde-St. Margaret's community is campus minister, Mike Jeremiah, who is entering his 13th season working directly with the BSM Boys' hockey program.

After graduating from the University of St. Thomas with a Master's Degree in Secondary Education, Mr. J. began his work as a campus minister at Benilde-St. Margaret's in the fall of 1975.

After many years of creating and working with the school's retreat program, Mr. J. currently serves as a member of the liturgy team. He provides personal and spiritual counseling in individual or small group settings. These small groups facilitate support groups dealing with family issues and grief support and provide prayer opportunities for students, faculty and staff, and teams and activities.

Media Guide Team

The BSM Boys' Hockey Media Guide has been a long-standing tradition. Ten of BSM's students worked hard on producing this year's 2023-2024 media guide. Dr. Pohlen, BSM EPIC intern coordinator, selected this year's group of students to create, design, and produce this "gameday" media guide. The students spent many hours creating ads, designing pages, developing layouts, writing, editing, invoicing, and learning real-life business skills. We hope it is something that all BSM Boys' Hockey fans enjoy and treasure for years to come. Thanks to everyone who helped make this student-designed and produced BSM Boys' Hockey Media Guide a success!

Would you like some good news?

In a new video, Jack Jablonski describes his experience participating in the world's largest clinical trial using SCONE paralysis recovery treatment for 24 people living with quadriplegia.

This treatment works.

What's next? An FDA Pivotal Trial. If this trial is successful, spinal stimulation treatment using SCONE becomes the FIRST paralysis recovery treatment ever approved by the FDA.

Will you help get this done?

We thought 2022-2023 was our season. With six strong seniors leading the roster and an influx of talented juniors, it was BSM's turn to make it out of the Section 6AA bracket and be a contender in the State Tournament. The Red Knight's last showing at the State Tournament was in 2012, and every year since we thought it was our time to return. With multiple returning letter winners and a lot of depth in the program, we thought the 2022-2023 team was prepared to make it out of the Section 6AA bracket. However, history keeps repeating itself, and the section tournament seems to have put an end to the Red Knights' season for the past few years.

The 2022-2023 season had many impressive high-scoring games. In the beginning, it felt like it was going to be a golden season. It was an up-and-down roller coaster beating New Prague 13-3 and Chaska 9-1. The Red Knights then felt like the drive to State was clearer than ever, and they were determined to make it back to the Xcel Energy Center for the 2023 Minnesota Boys' High School State Hockey Tournament.

The season was filled with incredible and "had to be there" moments, including the BSM boys continuing to show off again versus Waconia (11-0).

Sadly, the journey back to the X was cut short by losing to Edina in a heartbreaking 2-5 game in the section semi-finals. With what could be described as an unfortunate end, the team learned something valuable: to return stronger than ever next season.

The six seniors who graduated in 2023 will be missed, but they should be proud to know that they instilled leadership, grit, superstitions, rituals, and most importantly, made memories. Whether it was bus rides, practice, or time in the locker room with the "boys," the season will never be forgotten. In the four years that the graduating seniors were a part of the program, there was strong talent on the team. Once a Red Knight, always a Red Knight!

The returners coming back for the 2023-2024 season are more ready than ever, with a daily countdown to the first puck drop. "Everything Counts" in the upcoming season's focus is to hopefully break through the Section 6AA bracket and head to the X in March 2024.
