

January 2024,

Dear Prospective Business Sponsor,

We are asking for your business sponsorship to support the **2021 AAAA State Champions and the 2022 AAAA State Runner-ups, the Farmington Tigers** and our baseball program. What an exciting time this is for our players, the team, and our community!

One of the ways you can support Farmington Baseball is to become a corporate sponsor for our program. A primary goal for our booster club is to make improvements in the fields and facilities at our schools along with helping meet basic needs such as funding for equipment and coaches.

This is what it will take to make strides in building and continuing the great baseball program in Farmington!

Another goal of our booster club is to become more connected with Farmington's baseball community as a whole. We want to get younger players excited about what we are doing at the high school level so that our community programs become a great feeder program for the high school. We have approximately 1,300 families within all the levels of baseball (in-house, travel, and school ball beginning at age 9) in Farmington so that is a large group that can benefit from having great baseball facilities.

We ask that you please consider a sponsorship to the Farmington Tigers Baseball program.

We have 2 levels of corporate sponsorship are available:

Executive Level: \$500

Includes a sign with your business information proudly displayed at the Varsity Field. Name and business logo included on the Farmington Tigers Baseball website with a link to your business' website home page. Business information included on our social media outlets and all printed materials throughout the season such as the FHS baseball program. Programs are distributed at each home game and will include a team photo of each level of FHS Baseball as well as highlighting all corporate sponsors.

Club Level: \$250
