Summer Day Camp /After School Program 2022-23

The Jefferson Summer Day Camp/ After School Program is designed to provide a positive recreational experience for school-age children (4-15 years old) within a safe, friendly, and secure environment. Our program is supervised by well trained and caring staff. We provide recreational activities geared toward the interests of all children including arts and crafts, sports, small and large group games, field trips, and study programs.

Program Objectives

1. To have a safe and FUN experience.
2. To learn and develop social skills by participating in group activities, sports, arts and crafts, and group games.
3. To develop self-confidence and self-worth accomplished by treating children as individuals and utilizing positive reinforcement.
4. To improve health and fitness through movement and recreational activities.

Staff-Under Georgia Law[OCGA 19-7-5(c)(1)]we are mandated reporters of child abuse or neglect.

Under the direction of the Jefferson Parks and Recreation Department, the Summer Day Camp staff and the After School staff has been carefully selected from leadership clubs, church groups, high school/college organizations where they have already proven themselves as leaders. Ensuring staff quality begins with:

1. A local background screening
2. A state and federal background screening
3. Mandatory drug screenings
4. Ongoing Jefferson Parks and Recreation Department training
5. Darkness To Light Child Abuse Training
6. American Red Cross CPR and First Aid certification
7. American Red Cross Life Guard certification
8. All staff will be required to wear uniforms.

Location

Our program is conducted at the Jefferson Parks and Recreation Department Sports Complex which is located at:

**2495 Old Pendergrass Road
Jefferson, Georgia 30549**

PARTICIPANT ELIGIBILITY

In order to be eligible to participate in the Jefferson Parks and Recreation Department's Childcare Programs participants **MUST** be potty trained, able to function in a high-paced group setting without individualized attention (one staff person for every twelve children ratio) and they **MUST** be able to understand and comply with the behavioral rules and regulations.

Due to the nature of our exempt license from the State of Georgia for School aged children, all children attending JPRD Childcare must be potty trained. We define potty trained as being able to notify staff in a timely manner to allow the necessary time it takes to travel to the nearest bathroom and be able to use the bathroom without Staff assistance. Staff assistance refers to buttoning or unbuttoning of clothes, pulling up or down of clothing, and any other necessary tasks while toileting. Participants that are unable to do so will be required to leave/ not participate in the program until properly potty trained.

Soiled clothing as the result of (pee, feces, vomit, blood, and/or other hazardous bodily fluids) will be removed by the child affected and placed in a non-absorbent bag. The bag will then be placed in an area out of reach and away from the children, and a parent will be notified. The bag is given either to the parent of the child at pick-up or disposed in a sanitary manner at the parent's discretion. If your child regularly soils his/her clothes or prone to nose bleeds, we highly recommend packing an additional change of clothes for camp. If the child does not have an additional change of clothes, the program will provide him/her with a temporary set of clothes at cost for the remainder of the day.

Health Requirements

Illness and Injury Policy

It is the Parent's/Guardian's responsibility to monitor your child's health. If your child has a fever, experiencing nausea, headache, intestinal/stomach problems or is ill, we recommend that he or she stay at home for the day where they will be more comfortable and return to our child care programs once they are feeling better. All children must be without a fever for 24hrs before coming back to any Childcare Program.

If your child is ill and will not be attending the camp, please notify the Jefferson Recreation Department to make us aware that he/she will not be attending for that day.

Any child attending the Jefferson Recreation Department with a **communicable disease (as defined on the chart of communicable diseases posted in the child pick-up area) may be excluded from the program and will be allowed to attend again if cleared by a doctor.** If your child is exposed to a communicable disease, lice, etc., Jefferson Recreation staff will let parents know as soon as possible.

Health Requirements

During Summer Camp/ Before and After School Program operating hours, if your child starts to feel ill or experience illness, please tell your child to inform a staff member. Upon being informed, the staff will notify the parent/guardian immediately and you will be called to pick your child up immediately. The child will be made comfortable until the parent or emergency contact can pick the child up. Remember, if your child is picked up from any Childcare Program they must be without a fever for 24hrs before coming back to any Childcare Program. All minor scrapes and scratches will be treated by program staff and reported to you at the end of the day.

Any major or life threatening injury or accident that may occur during scheduled program hours will be handled in the following manner:

1. 911 will be called immediately.
2. The parent/guardian will be called next.
3. Based upon the professional decision of the EMT unit, the child may be transported to the closest medical facility for immediate care or EMT may advise the parent/guardian or staff as to how to treat or care for the child.

Prescription and Medication Policy

Medication Dispensing Forms

In order for our staff to be permitted to dispense prescription medications or over-the-counter medications, we require a completed and signed Medication Dispensing Form. These forms are available in our office and will be retained in our files. All medications and forms will be kept separate and locked in the Summer Camp Director's office.

The parent/guardian is required to hand deliver the medications to the program staff. Please do not have it delivered by your child.

If the medication is a prescription, then the original pharmacy container (up-to-date) is required to accompany the medication daily to the Jefferson Recreation Department. Please bring only the daily dosage the child will require during the times he or she is in the program. We are unable to store prescription medications on site overnight.

All prescription/non-prescription medications are also required to be in their original container, and all other procedures on this page do apply. Examples of non-prescription medication include: headache/pain relievers, cough syrups, nausea medicine, salves, and ointments.

Any noticeable adverse reactions to prescribed medications will be reported to the parent immediately.

Allergies

If your child has allergies:

- Complete the allergy section on the Program Application Form.
- Let the Director know immediately. Plans will be made to best accommodate the camper.
- Copies of a Food Allergy Action Plan completed by your child's physician must be on file with the Program Director.
- An epi-pen should be kept on campus for your child. Childcare staff have been instructed to recognize the signs and symptoms of an anaphylactic reaction, as well as how and when to administer an epi-pen. One copy of a Food Allergy Action Plan should be stored with each student's epi-pen.
- If you are not comfortable with the classroom arrangements, please communicate these concerns with the group's counselor, a Supervisor, or Program Director.
- We encourage a Safe Food Box to be left at recreation complex, filled with a supply of safe treats (nonperishable), for your child. Food allergies are a serious issue and we appreciate your cooperation in ensuring the safety of all the students. We encourage parents to share concerns or questions. For more information about snacks, see our Snack Guidelines listed above.

What the **Zero Tolerance Policy** means for you and your child.

5. Respect other children's belongings.
6. Listen and follow instructions from Jefferson Recreation staff.
7. Participate in activities.

Campers will not:

1. Use violence, force, or intimidation.
2. Use inappropriate language or name calling.
3. Destroy supplies or property. Parents will be held financially responsible for any vandalism/damage.
4. Leave the group without permission.
5. Throw rocks.
6. Disrespect others.

The consequences of camper misbehavior depend on its severity and will be handled as follows:

1. Verbal reprimand
2. Removal of the child from the group setting for cool down time.
3. Warning write up and phone call to parent.
4. Write up and suspension, phone call to parent. *
5. If a participant receives three suspensions or Broken Rule Notices, he/she will be expelled for the remainder of camp or the current season of childcare.

*** No refunds will be made if your child is suspended or expelled from any day, week, or season of child care.**

* We will make every effort to contact the parent/guardian at the time of the incident so that other arrangements can be made for the child. However, if we are unable to reach the parent and all methods have been used, the suspension will stand and you will be notified at the time of pick-up.

As stated above, any participant's misbehavior is judged at the discretion of the Childcare Director and may fall outside the scope of the simple consequences listed above.

Policies & Procedures (continued)

Alternative Pick Up

In the event that you may need someone else to pick your child(ren) up from our program, we must be properly notified. There is a specific form for alternative pick-up in your child's registration packet. In order for someone else to pick your child up, that person's name must be written in the registration packet and signed by you. In addition, the program staff must be notified prior to check-out if someone else is picking your child up. You may notify us by either calling our office or by sending a note with your child. He/she must give the note to the staff member. We reserve the right to ask for identification from anyone picking up a child from the Jefferson Parks and Recreation Department Summer Day Camp Program or the Before School and After School Program. Please note, this procedure is very important for the safety of your child(ren). *If an addition needs to be made to your child's pick-up list, we must have it in writing. We will not add anyone to a pick-up list based on a phone call.

Transportation

During field trips and off facility events, children will be transported by Jefferson Recreation buses, vans, or the local school system buses. Parents must provide transportation to and from the summer camp and the Before School and After School program. Program staff will not be allowed to transport children to or from the Jefferson Recreation Department.

Notice: The Jefferson Parks and Recreation Department is not responsible for transportation to and from any other type of onsite or offsite activity, such as a sports camp, swim lessons, or special event camp. If your child is enrolled in summer camp as well as any other additional activity, they will have to choose which one to go to on their fieldtrip day. If your child attends the outside activity on their summer camp field trip day, then they will not be allowed to return to our summer day camp for that day because their group will not be onsite. If the outside activity is offsite, then it will be the parent's responsibility to transport their child to and from that activity and bring them back to our summer camp program. Also, if a parent arrives at the summer day camp and their child's group has already left for the pool or a field trip, the parent must check their child in at the main complex and then transport them to the pool or field trip destination themselves. The Summer Day Camp staff does not have the ability to leave the pool or a field trip and return to pick up a child who arrives late for any event.

Dragon Days

During the school year, children get many days off that working parents do not. So on those days, we want to provide a safe place for them to hang out and have fun here at the Jefferson Parks and Recreation Department. There will be an additional fee for these days.

Application Fee: \$30.00 City & \$50.00 Out-of-City

Weekly rate: \$155.00 per child/City & \$170.00 per child/ Out-of-City
