

Arrival to the Event Area

Travelling by train is recommended!

Road closures:

On Saturday and Sunday, 09/10.09.2023 there will be several road closures due to the IRONMAN 70.3 Erkner. The usual access and parking possibilities are limited for athletes and spectators and we refer to the diversions recommendations in the sketch below.

Arrival by train:

We strongly advise arriving by train to avoid the limited parking around the event site. It is not possible for us to guarantee a parking space for all athletes arriving by car. The DB Regio takes about 30 minutes from Berlin HBF and is the fastest and most comfortable connection.

Arrival by car:

Arrival from Berlin via Fürstenwalder Damm to Erkner. Arriving via the A10 via car, do not take the Erkner exit. Take exit 5 Rüdersdorf. Please use the parking spaces at the station or the Stadthalle. Please refer to the map below for directions.

Arrival from the south is not possible on Sat. until 12pm and on Sun. until 2:30pm !
