

**Character. Excellence. A love for the game. Sportsmanship.**

These are the values that shaped the legend of Hobey Baker. The Hobey Baker Award committee believes that adversity builds character, and character builds excellence. Character makes the game better.

We value your role in growing Hobey's legend. We would like to provide the opportunity for your team to participate in the 2024 Hobey Baker High School Character Award program, presented by BioSteel. Each year, we hear from coaches, players, and parents the satisfaction of being recognized for embracing the values the game teaches – coachability, strength of character, integrity, commitment, teamwork, community building and outstanding sportsmanship.

As in years past, this award is available to a single senior winner for each high school team in the country. Here's how it works:

- The winner is selected by you, the high school coach, and information is input via an on-line form.
- Once the selection is input, we produce and ship a plaque to the coach. Make sure to leave lead time for your banquet.
- Award presentation is up to the team, but is typically made at a season ending event.
- In April, the Hobey Baker website will display information on each of the winners
