GameChanger makes it easy to designate your starting lineup and manage substitutions throughout your basketball game. Watch this video for instructions on how to set the lineup and manage substitutions while scoring.

Managing Lineups | GameChanger University

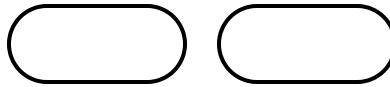

1. Once you start scoring, click the substitution button, "two arrows icon," to your lineup.

2. Select the players you want on the court. Tap "Done" to return to the main screen and start scoring.
3. Click the "two arrows icon" whenever you need to substitute.
4. Tap on the players to add or remove them from the game.
5. If you want to clear the entire lineup, tap "Bench All."
