

WACPC CANDIDATE INFORMATION FORM

WACPC Members choosing to run for District Representative positions, At Large positions and/or committee appointment on the board are encouraged to fill out this form and return it to Lorie Evers, WACPC Secretary, at least one week prior to the August meetings.

Name of Candidate _____ **WACPC District #** _____

Are you primarily cheer OR dance?(please specify one) _____

Current school/program affiliation(s) _____

Position you would like to be considered for:

_____ District Representative of District # _____ (two year position voted on by district members)

_____ If I am not elected by the members as my district representative to serve a two year term I would like to be considered an at large board member.

_____ At large board member (two year position selected by the WACPC Board)

_____ Committee only position - Please specify below

_____ Cheer competition committee

_____ Dance competition committee

The WACPC Board of Directors meets at least four times per year in different locations throughout the state. Board members that serve on committees meet an additional two to three times per year; those meetings may sometimes be the same weekend of the board meetings and at times are on different weekends. Anyone serving on the board as an district representative or at large member and anyone serving on a committee are expected to attend these meetings.

Board members are expected to work competitions at which they do not have a competing team. Please consider this time commitment as you make your decision to run for a position on the board or request an at large or committee position.

Board members that are unable to fulfill their obligations may be asked to step down from their board position.

Thank you for your interest!

Please share with us the information requested below. This information will be posted on the WACPC website for membership to review before the district meetings and prior to the WACPC board appoints at large board members and committee members.

Candidate's statement as to why he/she would like to represent the members in his/her district, what he/she would bring to the board as an at large member or a committee member.
