

2026 Eagan High School Girls' Wildcat Hockey Summer Training

Summer Training Program Prospective Players – Group 2

This program session is available to incoming 9th and 10th graders at Eagan High School who have NOT played for Eagan High School Girls Hockey as of June 2026.

The STP program offers 21 hours of on ice (2 skills sessions and 1 scrimmage session per week), led by the Eagan High School Girls' Hockey coaching staff. This program is an opportunity for the new coaches to get to know the players and vice versa, along with introducing drills and systems to prepare for the winter season. We will also be scrimmaging other HS Programs throughout the summer with days, times, and locations TBD.

The STP program is designed to help prepare each player to play high school hockey for Eagan High School. We will focus on skills, on-ice mentality, systems, and build the foundation for our culture.

- Program cost is \$450.00 (Cost includes Eagan Hockey Sweatshirt)
- Goalie cost is \$150 (New goalies trying the position will not be charged)
