

New to Tennis cheat sheet

Spin tennis racket to see who serves first. Decide which letter/picture represents each side.

Each team calls their own in and out of bounds plays

Serve for an entire game.

Serve on the right side of the court (deuce side) If your first serve did not go in, say second serve for your second serve.

After the point is played, the same server then switches to the left side of the court known as the AD side.

40/40 =Deuce

Deuce Ad in = server's advantage (if server gets next point they win the game)

Deuce Ad out = returner's advantage (if returner gets next point they win the game)

If opposite person gets point then go back to Deuce

Home Team flips the scoring card or each team flips their own scoring card.

Best 2 of 3 sets (sets to 6) at Varsity level;

- win by 2 games
- tiebreaker at 6-6
 - First to 7 points
 - Win by 2
 - First person serves on Deuce side
 - Rotating every 2 serves after that

6 to 8 game pro sets usually at JV level

During the games, you will switch sides of the court on odd games, 1, 3, 5. First one to 6 or 8 wins.

Tie breakers you earn 1 point at a time and first to 7 and winning by 2 wins the set.

1st person serves, then switches servers, then switches every two serves. Switch sides of the court every 6th point.
