LITTLE MIAMI YOUTH FOOTBALL AND CHEER

INFO

Thank you to everyone who filled out the end-of-the-season surveys. This helped us to understand areas of focus for maintaining positive experiences and some opportunities of adjustment.

Reconditioning for helmets will be in January. We are required to recondition helmets every 2 years. If your child is planning on using their own helmet for another season and it was not reconditioned last season then it will need to be reconditioned. The recondition fee is \$50 and your child's helmet will need to be given to our director of equipment and it must be labeled with your child's name. More details to come soon.
