# ALL ACADEMIC BASKETBALL PLAYER PERFORMANCE EVALUATIONS

## STRENGTHS

- His IQ and vision are outstanding. Sets his teammates up well in the half court and transition.
- His ball handling in the open court is strong and his is very shifty.
  - He has a quick first step and gets to the lane often.

## AREAS FOR IMPROVEMENT

- He needs to improve his shooting consistency and confidence.
- He needs to drastically improve the use of his off hand as a finisher, passer, and ball handler.
  - He needs to improve his effort defensively and on the glass.

## ADDITIONAL NOTES

He is a savvy PG with a high IQ and playmaking ability. He needs to improve his overall offensive game and needs to make defense more of a priority. A lot of time to improve.

## PROJECTED COLLEGE LEVEL

To early to tell. Keep working
