President's Report	2024 Newsletter essentially ready to go out end of Jan. just need updated president's portion of newsletter and any final edits.
	Looking to get a new president and vice president of the club. Plan to nominate and vote at our next meeting.
Secretary's Report	Approve December Minutes Andy - 1st, Stacey - 2nd
Treasurer's Report	Taxes are in motion, working with the bank. Pay annual SportsEngine fee Renew the website Not renewing gambling license
2024 Summer Soccer/ Registration	Early bird registration deadline ends January 31 As of 1-8-24: 46 players registered Courtney spoke with our Sportsengine rep Teddi and discussed multiple ways we can save 30-40% off for the first year. Also paying the whole fee upfront versus monthly will save the club \$150. We are currently utilizing DIBS, but not Quickbooks or memberships option under our payment pool, so unless we

got rid of DIBS, we would not be able to change payment pools. Opening up a Squad Locker apparel store (within sportsengine) and opening up an SE Motion account (gives access to things like field scheduling within the separate SE Motion app) would give us the option to deduct 30-40% off for the first year. Both Squad Locker and SE Motion are free to turn on, would only deduct the price this first year.

Courtney & Teddi also discussed video call next month to go over Tourney Machine and how to utilize it more for Rotary Cup potentially. Teddi asking her TM support rep how much 85 teams would cost if we were to use TM this year once we learn how to use it better, see if we can work out some of the kinks that Ben came across when trying to get it set up 2 years ago. Has awesome communication options within the app and also would take care of the criticism received last year of not having scoring live that coaches/teams/parents can view right from their phones versus having to come up to the concessions stand. It also allows a parent volunteer scorekeeper, tourney director, or even refs to go in and input scores versus needing to come find someone/text Ben.

Other summer soccer details:

- -Admiral page live for ordering jerseys in 2024. No changes from last year or price. Courtney worked with Admiral rep, Cindy, to secure deadline order date for bulk shipping price once again. Will need to work out a few kinks from last year (Stacey may be able to better chat on this) that would help on our end of organizing/sorting once we receive the bulk order in the spring. Courtney will relay that on to Cindy.
- -2024 Rotary Cup and 3v3 Website landing pages updated, but no registration yet. Courtney will work on creating these. Sportsengine Rep Teddi said that you can create the registration and move it over to Tourney Machine if we decide to go that route this year.
- -2024 coach/team manager recruiting has begun. A few 2023 coaches already secured: Ben, Trevor, Anderson, Andy Moen.
- -No date at the moment for a ref clinic hosted by DLYSA. Do we want to host one again this year or wait until next year?
 YES we will have a ref clinic at the end of April.
- -Coaches clinic (refer to online resources to start) and soccer 101 (possibly doing this at the parent meeting). Jessie is going to work on this and bring something back in February.

Fundraiser

Reach out to Ames for certificate *must ask family currently enrolled to reach out on behalf of DLYSA.

	No current reach outs/plans have been made for an initial meeting/committee for 2024 fundraiser. Courtney will reach out to last year's committee to gauge interest and send out an eblast for new volunteer committee members. No board member has taken over role of coordinating banner program for this year either.
