HELLO, WLC FAMILIES!

As a thriving group within our community, the Westerville Lacrosse Club strives continually to improve our programs, always aiming to provide the best lacrosse experience for your kids. We would like to thank those of you who responded to our 2018 end-of-season survey.

We take your responses seriously, and we want to announce some new and exciting initiatives that we will institute in the forthcoming season. For those of you who did not respond to our survey but have something to share, please use the feedback form on our website at westervillelax.org.

Save the Date!

Fall Clinics

October 7th, 14th &
21st
5:30pm-6:30pm

Spring Registration

Opens November
1st, 2018

Winter Clinics

February 18th to
March 25th. See
details inside!

Middle School Update

We have big changes coming to our middle school program this season!!

After much deliberation and input as to strengthening our middle school boys' program, we will be making a structural change that will allow our students to become part of a cohesive team in advance of their high school careers. Starting this season, we will have three teams whose enrollment is determined not by your student's middle school, but rather by the high school that he will attend.

These three teams will be named after their respective high schools. The registration process will help guide you to the correct teams.

GIRLS SUNDAY OPEN NETS

Each Sunday from 6-7 pm at Heritage Park we are having open nets for girls. Several coaches will be on hand and we have extra sticks for new players to borrow, making a great opportunity to work on stick skills and invite a friend to try lacrosse. Open nets will continue into fall, as long as the weather stays nice.

FALL BEGINNERS CLINIC

Our annual fall beginners' clinics will be held at Heritage Park from 5:30-6:30pm on three Sundays in October: Oct 7th, 14th, and 21th. These clinics are intended for players with no or little experience. The cost is \$40 and includes a new beginner's lacrosse stick to take home. If a player comes with his or her own stick, we'll waive the registration fee. This is a great opportunity to invite friends to try lacrosse and learn more about our sport. More information and registration details can be found at our website: westervillelax.org

EQUIPMENT SWAP & EXCHANGE

Do you have gently-used equipment that is now outgrown and just gathering dust? Are you interested in trying out the sport, but the cost of equipment is making you think twice? We will soon hold a swap meet where you can exchange your gear for something that better suits your current needs. Donations of unused items to our club donation store are happily accepted. More details on this exciting event are coming soon!

CLEATS, CLEATS, AND MORE CLEATS

Thanks to an anonymous donor, we have dozens of new Warrior cleats, ranging in sizes from Kids size 2 up to Men's size 10! We will be offering a FREE pair of these cleats to any player who registers during the early registration period (while supplies last).

4th Friday

We will have a booth at the next and final 4th Friday events, on August 24th and September 18th from 6pm to 9pm. Our booth will be on the corner of State and Home (B13)--look for the LAX Shop canopy. This is a great opportunity for you, your kids, and their friends to learn more about our sport and the diverse programs we offer. We will also be holding raffles for fun items like reduced tuition, brand new lacrosse cleats, gift cards to local businesses like Pizza Cucinova and the LAX shop, and more!

WINTER CLINICS

You asked, and we answered! In addition to our October beginners' clinics we will now be offering 6-week indoor skills clinics for all age groups starting in February 18th and going through March 25th. They will be held on Mondays from 6-8pm at the Star Indoor facility. . Part of this amazing endeavor will involve partnering with guest coaches from the Ohio Machine and Otterbein University. Stay tuned for more details and registration info.

LAX 101

How many times have you watched a boys or girls lacrosse game and gone, "what is that rule and why was that penalty called?." The WLC will be holding "LAX 101" where everything from boys and girls LAX will be explained and answered and you will have chance to ask those questions you've always wanted answered. Date TBA
