THE BYRON CHALLENGE

Volunteers Needed!

On Sunday, February 19th, we will host our second youth tournament of the season. This is a great fundraiser for our wrestling club and we need parent volunteers to help make the event a success!

Our Byron Youth Team will be competing. If your child is wrestling, we will make sure you can still watch your child wrestle.

FINAL CLUB- SPONSORED INDIVIDUAL TOURNAMENT IN WASECA

Entry Fees Paid by the Byron Bears Wrestling Club

The last club sponsored individual tournament is on Saturday, February 18th in Waseca!

This is an action-packed and well-attended tournament. We look forward to cheering on all of our Bears as they battle on the mat.

Go Bears!!

KEEP OUR WRESTLERS HEALTHY!

The season is winding down but illness is not!

If your child has been recently ill, he or she needs to be fever-free and had no episodes of vomiting or diarrhea for 24 hours before returning to practice or meets.

Please, if your child is sick or not feeling well, keep them home. This is especially important due to the close contact in our sport.

Check your child's skin daily throughout the season. Report any suspicious skin lesions to the coach or your primary care physician. The sooner your wrestler is treated, the sooner they can return safely to practices and competition.

END OF YEAR CELEBRATION

Recognizing and Celebrating Our Wrestler's Accomplishments

The end of the regular wrestling season will be coming to a close soon. Many on the competitive team will continue on to additional tournaments with MN USA and NYWA. We look forward to celebrating the accomplishments of ALL our wrestlers post-tournament season at our annual end of year celebration in April. An invitation to this event will be sent in March as the date has not yet been determined.

In the meantime..... continue to track your wrestler's record to ensure proper recognition at our celebration. The Byron Bears Wrestling Club has created a [google doc](#) to report your wrestler's record each week. For the wrestling record section of the form, enter the results for each match for your wrestler. For example: Match 1 - win 6-1; Match 2 - OT win 3-1; Match 3 - Pin

We look forward to celebrating with all of you!
