President of TFC stepped down

Each Booster will have someone in charge of concessions going forward

FUTURE PROJECTS/PAUL (MISCELLANEOUS)

Future projects—will post Paul's list of improvements on website. We have done lots!!

Chad has been looking into numbers of building a storage shed/concessions. FGFA is possibly interested in helping and sharing.

Adding fence to Field 3. Title nine issue. We only have one official field. Baseball has four.

Priority for Paul are building, entries to Varsity field and scoreboard for JV.

Possible coach purse bingo in the future? Paul would like to look into it, heard that it is a HUGE fundraiser. Paul will talk to the Eagles and see how it is run.
