Dear Members;

CYH will conclude youth team tryouts this Friday, July 17, 2020. The Columbus Iceman High School team has been announced and is busy with pre-season conditioning.

A lot of time, effort and planning goes into making tryouts run smoothly. I want to personally thank all volunteer members of our 2020-2021 Coaching Committee who dedicated their time, knowledge and enthusiasm into making try-outs successful in an otherwise challenging Pandemic New World Order.

CYH is actively engaged with Columbus Park and Recreation and the Buckeye League, expressing our intentions and desires to see the 2020-2021 hockey season a successful venture.

As government orders continue to unfold and mutate, we ask CYH Members to embrace recommendations and take such steps as are necessary to minimize risks associated with the pandemic and be proactive, helpful and understanding as it will take a cooperative effort to see this through.

Sincerely,

Steven Nelson, CYH Board President

USAH Coaching Clinic

On June 4, 2020, USA Hockey announced that it will conduct its Level 1-4 coaching certification clinics virtually until it is deemed safe to host large group gatherings.

A new temporary card is being introduced as a flexible option for coaches to maintain their certification if they are unable to attend virtual coaching clinics due to the COVID-19 pandemic.

A new coach can receive a Temporary Card for Level 1 for the 2020-21 season. The following year (2021-22), they will need to attend a Level 1 clinic.
