

CITY ARENA SUPER LEAGUE RULES & FACILITY INFORMATION

STANDINGS & SCORING

- Teams will receive 3 points for a win.
- Teams will receive 1 point for a tie.
- Teams will receive 0 points for a loss.
- Games will be of an 5-0 differential, meaning scoring will not be added to the scoreboard if a team gets to a 5 goal or more lead.
 - The referee will keep track of the real score on their own. If the losing team makes a comeback and starts to cut into the lead (and bring it within 5 goals again) the referee can then show this on the scoreboard again.
- Standings will be displayed on the City Arena website on the Super League page.
- Any tie in the standings will have the following tie-breakers:
 1. Goal Difference
 2. Head-to-Head
 3. Goals Scored

GAMEPLAY RULES

- There will be two 25-minute halves per each game.
- Substitutions preferably should be done when the ball goes out of play.
 - Although, changes can happen on the fly throughout the game as long as the player subbing on does not impact the game before the player coming off exits the field.
- Everything out-of-bounds (on the sideline) will be a kick-in. No throw-ins.
 - Corner-Kicks and Goal-Kicks are taken as usual.
- Any foul, stoppage of play due to a violation, and/or ball hitting the roof netting will be an indirect kick.
 - Goalkeepers using their hands outside the box results in an indirect free kick from the spot the hand ball occurred as well.
 - If a foul occurs in the penalty area that will result in a penalty kick.
 - Sliding in the box, a handball, and just general fouls are all instances that would result in a penalty if it occurred in the penalty area.
- Goalkeepers cannot punt or drop kick the ball.
- For the U8-U10 divisions there will be a retreat line on goal-kicks for the defending team. This will be the center line at midfield.
- There will be NO heading of the ball in the U8 – U11 divisions.
- No slide tackling (to win the ball from another player or score a goal) for all divisions.
 - Players can slide in order to keep the ball in play without other players in close proximity. This is up to the ref's judgement.
- If a score is completely one-sided referees can ask the Head Coach to take a player off if needed.
