ALLEY ALTRINGER MAKES HISTORY!

Friday, December 6th 2019 Alley Altringer made it into the wrestling history books! In 75 years, Anoka has never had a girl on the varsity wrestling team. 8th Grader, Alley Altringer changed that when she started for the varsity team and won a match. She honorably lettered on Friday night! On behalf of Anoka Youth Wrestling, we congratulate her for her hard work and her amazing accomplishments! We are all very proud of you!

"If a kid thinks he has to win to make his parents proud of him- that is a ton of pressure. In my opinion, that is the greatest pressure in the world, especially for a kid. A parent not being proud of you is far more frightening than the scariest opponent.

-Cael Sanderson
