

Greetings on behalf of the Jr. Chargers Baseball Club!

If you are not familiar with our organization, we are a 501(c)(3) non-profit organization dedicated to developing, mentoring, motivating and coaching kids on aspects of the game of baseball. We offer kids ages 7-15 a chance to play competitive baseball within our community. Our philosophy is to provide an environment that fosters a progression of skills and knowledge of the game, while instilling respect for sportsmanship, the team and our community. We believe these skills build a solid foundation as our players eventually become members of our community.

We are reaching out to our local business community with opportunities to partner together through sponsorships. A donation to the Jr. Chargers will help support our goal of continuing the improvement of the fields and parks we call home, Village Park and Armory Park. Our Club is dedicated to improving the community's baseball resources by enhancing the fields, investing and upgrading equipment, and refurbishing fields where there is opportunity. Many of the improvements we make benefit the general public. For example, in 2021 our organization raised the funds to build batting cages at Armory Park, which are open to any baseball clubs.

We appreciate the support of our community donors, and in return, we are honored to recognize those businesses or organizations through advertising efforts as outlined in the sponsorship levels below. Although there are a limited number of sponsorship levels, no donation is too small (or too large!). The Jr. Chargers Club is happy to partner with you to scale to your business needs. If you have any questions or for further discussion, please reach out.

Thank you for your consideration of supporting Hamilton Jr. Chargers Baseball!

Sarah Rubens
Vice President, Business Operations
