Discussion Topics

1. Recap of last season for each league- Any major issues
Tball-thought went smooth. No opening day due to weather
Coach pitch-no rep as of today. Seems like good experience. Had some at Lex. Like that able to use the concessions.
Triple A- a bit controversial. Allowed base stealing. Most on passed balls. Had to have a agreement with other coach. Could not steal home. Recommendation to keep stealing.
Soft toss-ball 4 coach most in to soft toss. Max on a soft toss is a double.
International- great growth for player and coaches. Play offs were a success. Good to have a practice schedule. Potential improvements: should not play parkway and cardinals we crush them. There was a issue brought up about having a 12 yr old with 9-10 yr olds. Some felt it is a safety issue. Make 12 yr old try out for American league-then go from there.
Umpires-FOR ALL LEVELS. visibility to umpire and if they are scheduled or not. Board felt like it was scheduled and maybe they did not show up. Reps as for it to be posted somewhere so the coach can be aware and look for alternative. Just an indication that they have a ump or not.
American- coaches did a good job this year. Did well in tournaments. Issues with parkway-one of our CLLL got hurt by a parkway kid. Maybe not play the parkway tournament. Parkway did take action regarding this incidence. Loved the MYAS tournament
National- only 2 games against ourselves. Went well. placed well in tournaments.
2. How many outside tournaments for 2024?
National-4 is what John Alvin would like
American- 1 MYAS and 1 parkway. Need to call Candace from parkway. Keep 2 tournaments
