

Waupun Ice Arena Fundraising

Thank you for your past support of Waupun Hockey Association (WHA) program. We are again asking for your support! Our floor is in need of replacement and all fundraising will be going towards a new floor. Over the years we have had numerous costly leaks and the time has come to replace it before it is too late. Our goal is to raise \$800,000 and start construction in the spring/off season of 2025.

The money raised will be used for a complete floor replacement including but not limited to removal of current floor and equipment, refrigeration piping, concrete along with many more items. Below we have put together several ways you can choose to donate. We are also accepting money donations by check or through our website link. Please spread the word to other local businesses and citizens of our great community! All advertising is open to business and members of the public.

Advertising Opportunities
