Vail Mountaineer Hockey Club Members & Board of Directors;

Please accept the nomination of Matt Gennett as a candidate for the upcoming election for the club's board of directors.

As the Town of Vail's Director of Community Development, Matt is deeply involved in the matters which shape the future of our community and by extension, our club. In the many years that I've known him, he's always proven to be a thoughtful and informed voice of both reason and pragmatism.

His role in project management demands a broad skill set including fiscal responsibility, long range planning, consensus building among an extremely diverse group of constituents, and the consistent need for clear communication and transparency. Among the executive team responsible for the revamping of Dobson Arena, he's adept at keeping a number of logistical balls in the air, all while good-naturedly accommodating the multiple (and passionate!) perspectives of Vail's citizens and elected officials.

Matt has two players in the program and has coached for several years. We've been fortunate to count him as both a fellow parent sitting on the sidelines as well as a coach for our younger son. It's through this lens that Matt's qualities as a person truly shine. His ability to maintain both composure and perspective while still keeping practices animated and games competitive is a source of admiration for our family.

I believe that Matt will always try to find the flexible solutions that accommodate the needs for players at both ends of the spectrum within the club, from 1st year Squirrels to 2nd year Bantams and Midgets. Thank you in advance for considering him as a candidate.

Respectfully,

Mike McCormack
