### 3. USAW Bracketing Software

- a. Progress Update
  - There will be an event for each location based on a master template
  - Each event will have an admin from the host location
  - Each team will have a login
  - Wrestlers pulled directly from USAW rosters
  - Can run on paper without wifi
  - If wifi available can keep and record scores and records at tables
  - Can not renumber match once generated, but can move the match
  - No late/early functionality like Windows pairing software, but matches can be moved manually.
  - Currently Experience is not a parameter. Working on workarounds.
- b. Weekly Workshops
  - Look in emails for workshops in near future.

### 4. Start of the Year Processes

- a. Club Representation

- All teams must update and fill each position with the league. Emails are sent based on those names and contact information,
  - Each person needs to sign themselves up. Signing someone else up adds them to your household.
  - For any deletions, email [admin@intercountywrestlingleague.org](mailto:admin@intercountywrestlingleague.org).
- b. Scheduling
- 16 clubs out of 50 have registered to host so far.
  - Get dates as soon as possible. If you have some dates, submit them now.
- c. Club Charters
- 8 teams are still missing their COI (as of 9/29)
  - Teams may not practice without a COI
  - All people in the wrestling practice room must be a USA Wrestling Leader.
