Note from a father of a Premier Prep player -

"I wanted to send you a note to thank you and everyone at Premier Prep for all the hard work you put in to make Nationals an amazing experience for our girls. The entire weekend is something my daughter will never forget. I cannot express how much this meant to her. As you know, this past season has been full of disappointments and setbacks. Nationals was the exact opposite. Not only did she make memories that will last a lifetime, but got to compete in some amazing hockey games.

I know that organizing this could not have been easy. I wanted you to know that it was one of the highlights, if not the number one, of her 10+ years of playing hockey.

From the bottom of my heart, I want to thank you. The joy on my daughter's face, and on her teammates still makes me smile when I think about it."
