## 5th Grade Quarterback & WR Challenge

The Hortonville Football Club will feature an annual 5th Grade Quarterback Challenge with the first matchup to be held before our last 6th grade home game against Plymouth on October 24, 2020.

The contest includes an on-field competition between current 5th graders, offering a quarterback and two 5th grade wide receivers of their choice the opportunity to demonstrate their passing and catching skills to the players and fans at Hortonville's Akin Field.

Each team will have four attempts to complete a pass, with both receivers from each team having two chances to catch. Whichever team completes the longest pass will win the competition and three (3) free registrations for Hortonville Football Club's 2021 season.

Please review the available slots and sign up on our website. Thank you!
