

NEW ENGLAND YOUTH TACKLE CHANGE REQUEST FORM

*Reason for Proposed Rule Change: You should show how your proposal will have a positive impact on the NEYT Tackle program or addresses a health and safety concern. This is particularly important if your proposal is of a significant nature.

Has this rule change been field-tested? Yes OR No

**Give as much detail as you can about the field test – who was responsible for conducting the test, the length of the test, how many athletes were involved, whether the test was at the local or area level and how the results of the test were evaluated and support the case for the proposed change.
