

Scappoose Youth Football Association 2018 Service Hours

At the time of registration each family contributed \$40 toward the service hours requirement. Each family is requested to participate in 4 hours of volunteer time to assist us in delivering a great experience for our athletes and families, no matter how many players a family has. At the completion of the 4 hours you are eligible for a refund.

Families with a scholarship or donated to a cause and received a free registration are required to complete the service hours, but a refund will not be issued.

The Board will review the service hours at the end of each month and issue refunds. When coaches complete the registrations and training, the refund will be issued.

Below is a summary of areas where assistance with the season is needed. Please reach out to the head coach or board for a role that best fits you.
