Under "Shop By Brand", click the arrows to scroll through different brand options. There are many choices, which provides everyone with a brand, style, & price point they are comfortable with.

Pick the brand you want. A few items are shown, but more can be loaded by clicking "See More ..." under the items.

Choose an item, then pick the design you want on the item by clicking "Other Designs Available". This will show you logo/color choices and what they will look like on the color of item you have chosen.

Items will print as shown. Make sure you are happy with the design color on items before adding to cart.
