

STALLION BOOSTER CLUB

“Supports The Brand”

STALLION BOOSTER CLUB, the primary fundraising organization for **SJHHS Athletics**, provides opportunities for families and businesses to support teams and connect with the Stallion community. Since the founding of the school in 2007, athletics at SJHHS has grown dramatically. In 2019/20, 77 teams will compete in 23 Varsity sports for boys and girls. However, as athletic programs have expanded, district support has decreased.

SAN JUAN HILLS HIGH SCHOOL HAS ONE BOOSTER ORGANIZATION FOR ALL SPORTS TEAMS. This allows us to maximize fundraisers and minimize competition between teams for scarce resources. As the science of sports performance evolves, the role of Stallion Athletic Boosters is paramount in supporting our athletic department and collectively working to integrate the mental, physical, and academic aspects related to our student-athlete’s overall performance and well-being. Through our newly implemented Sapphire Club and Coaches Care programs your membership donation helps to provide continuity and adds the overall success of these programs. Thank you for your support!
