

ERRA Ice Arena COVID-19 Safe Operation Policy

Ultimately it is the Parent/Guardian/Players decision if and when to return to hockey. Each family member and skater needs to understand that they participate at their own risk.

For everyone's health and safety...If you are sick, do not feel well, have tested Positive for COVID-19, or have been diagnosed with COVID-19, DO NOT ENTER the facility for 10 days after the first symptoms, and are now symptom free.

General

1. Game/Practice schedules will be spaced to accommodate sanitization between events
2. Coaches, skaters and spectators must be socially distanced to the maximum extent possible, both on and off the ice
3. Game/Practice spectators are required to leave the rink immediately after events
4. Any visiting team or group that has a confirmed case of COVID-19 will not be allowed to enter the facility for 14 days after the first symptoms or diagnosis/positive test.
5. Should any inadvertent exposure to COVID-19 occur while at the ERRA, the staff will notify affected teams and individuals as soon as possible.
6. Capacity for fans at youth games is to be limited to 6 spectators per participant.
7. Capacity for Falcons games is TBD...
8. Capacity for High School games is TBD...
9. Maximum of 34 participants allowed on ice at once.

Rink Cleaning

1. Rink Staff and volunteers shall wear masks while in the facility
2. Rink staff will disinfect each locker room 15 minutes after ice time ends. All skaters and family must be out of the locker room at that time.
3. Due to limited staffing, volunteers will be required to help sanitize between games and practices

Skating Guidelines

1. All Players should dress at home up to skates, helmet and gloves for all scheduled practices.
2. Players and families must wait till 15 minutes prior to ice time to enter building (goalies 25 minutes)
3. Masks should be worn by ALL in the building, but they are not required on the ice
4. U12 and U14 Players will be assigned to locker rooms by team or family, and should use the same locker every time
5. U10, LTP and U6/U8 skaters should dress at home and put skates on outside the ice arena entrance, no locker rooms will be used.
6. Coaches will ensure all locker rooms are monitored by an adult
7. Skaters can remove their mask as they lace up. Masks need to be worn again once off the ice
8. Parents assisting skaters donning gear should depart immediately after dressing is complete
9. No sharing of water bottles; each skater should bring their own, clearly marked water bottle
10. Coaches should space the timing of skaters leaving ice to accommodate social distancing
11. Coaches have authority to refuse any skater due to COVID- 19 or health concerns
12. Everyone should minimize use of the restrooms at the ERRA
13. Skaters with any individual in the household with a positive test should not enter until 10 days after symptoms started and that individual is symptom free
