

Dear Friends of Stratford High School and the Spartan Booster Club:

On Friday, September 8th, 2023, the Spartan Booster Club will host its annual SportsFest fundraiser. This dinner and auction is organized to benefit **all** UIL sanctioned sports programs on campus. We would love to add you to the list of donors who are helping transform many student athletes' dreams into reality.

This year's Don't Stop Believin' themed event will be held at Lakeside Country Club where approximately 350 guests will be in attendance as well as many more taking part via Auctria, our online bidding platform.

Your donation of gift certificates, merchandise, travel options and professional services to be used in either our live or silent auction will enable us to continue our commitment to athletic performance excellence by providing much needed items and support above and beyond what is provided by the school district.

The following is a small sample of the many things we have accomplished thanks to the generous support of our donors and sponsors:

- Scholarships - 35 athletes inclusive of all sports awarded \$40,000 in college scholarships
- Weight room upgrades - collegiate-quality Mondo floor and integrated weight racks installed
- Nutrition program - sports dieticians from Memorial Hermann IRONMAN Sports Medicine provided team lectures and individual consultations/plans
- Out-of-town tournaments - numerous Varsity teams participated in overnight travel competition
- Locker room graphics - modern decals and signage placed on walls, doorways, and windows to promote Spartan pride

****Donations valued over \$100 will include recognition on both social media and at the event****

Please submit donation form via email to stratfordsportsfest23@gmail.com by Friday, August 25th, 2023.

Thank you for your consideration and we look forward to speaking with you soon!

**Spartan Booster Club is a 501(c)(3) charitable organization
and your donation is tax deductible.**
