- A. **Team Conduct:** All American Girls Ice Hockey Tournament Officials expect the conduct of players and coaches to be beyond reproach, both on and off the ice. Any misconduct will result in immediate and prompt disqualification from the tournament. Spectators should also be advised that the All American Girls Ice Hockey Tournament has established a ZERO TOLERANCE policy in regards to abusive language and unsportsmanlike behavior towards opposing team's players, coaches and fans, as well as referees, volunteers and tournament officials. Spectators violating this policy will be immediately escorted from the venue.
- B. **Competition Format:** All teams participating in the All American Girls Ice Hockey Tournament are guaranteed four tournament games. For all games, the first team listed on the schedule or on the top of the bracket shall be considered the Home Team and will wear light jerseys, the away team wearing dark jerseys.
- C. **Tie Break Procedures** for round robin and pool play divisions (no overtime in these games):

- a. Head to head results
  - b. Most wins
  - c. Fewest goals allowed
  - d. Most goals scored
  - e. Coin toss
- If a tie in the standings occurs with three teams, and the tie breaking procedure eliminates one of the teams but two teams still remain tied, the eliminated team is removed and the procedure is started over with the remaining two teams.
- D. In bracket or advancement games, there will be a five minute, running time, sudden death, overtime period in all games that are tied at the end of regulation. If after this overtime period the teams are still tied, there will be a three player shootout. Each team will select three players who will alternate taking penalty shots – the home team will shoot first. If after three players the score is still tied, a sudden death shootout will occur until a winner is determined. No player may shoot twice until every player has gone once.
- E. Rules and Rule Modifications: The All American Girls Ice Hockey Tournament is played under current USA Hockey and Minnesota Hockey rules as modified by tournament organizers. - a. In the event of coincidental penalties, neither team will skate shorthanded
  - b. Should a team accumulate a combination of 15 penalties (minor and/or major) during any single game, the offending team's head coach will automatically receive a game misconduct. In addition, any player accumulating five penalties (minor and/or major) in any single game will receive a game misconduct.
  - c. USA Hockey has zero tolerance for racial and ethnic slurs, and sexual harassment. Players in violation will be removed per USA Hockey and MN Hockey rules.

Disqualifications will begin from the point where the player is determined ineligible and will not affect prior results or change a team's record. However, all goals will be subtracted from a team's total of goals for record in which the ineligible player was part of the scoring play (either goal or assist).
