

Dear Parents,

The Kirtland Youth Football League (KYFL) was established to utilize the game of football to teach concepts like teamwork, dedication, respect, confidence, and sportsmanship, just to name a few. The KYFL is one of a number of northeast Ohio based community-clubs that are members of the Great Lakes Youth Football League (GLYFL). Safety is our top priority; learn more about our safety protocol at www.kirtlandyouthsports.com.
