***Basketball Scholarship Application***

***History of Scholarship Funds:*** The Litchfield Basketball scholarship fund was established in 2018 in memory of Patrick Fallon, a lifelong Litchfield resident. His family requested that memorial funds be donated to the Litchfield Recreation Basketball program to honor the memory of their beloved family member who had a passion for basketball. He was involved with Litchfield basketball for several years and continued to promote youth to participate in the program in his adult years. Through his love for the game and the generosity of his family, our town youth can participate in youth basketball despite financial hardships.
