SGSA, PO Box 294, Quarryville, PA 17566

2025 SGSA 12U/14U Tournament Rules

- Lanco Youth Softball league rules will be applied to all games.
- A teams will play by A rules unless playing a B team in which they will play by B rules. B Teams will always play by B rules.
- Games will be limited to 1 hour and 20 minutes. Complete the inning. (Do not start a new inning after 1 hour and 15 minutes)
- Championship games will be a regulation game (7 innings for 12U, 7 innings for 14U).
- Winning team is responsible for phoning or texting results ASAP after the game. We need an accurate score (not just the winner). Send results to Jed King 717-682-1544.
- 2 new balls will be provided for the first game at each field. After that there will be one new ball provided for each game and we ask teams to select a gently used ball from a prior game. The used balls will be in a bucket behind the backstops. The new balls will be there as well. Please place the balls from prior game in the used ball bucket after each game.
- In the elimination games, the higher seed will be the home team. Seeds will be based off of record in pool play. Tie breakers will be based off of run differential.
- We are hoping to have food trucks or concession stands this year at both locations. Additionally, Maplehofe Dairy is located about 1 mile from each field (half way between the little league complex and High School). They have pre-made sandwiches and exceptional ice cream.
